Dublin West Bye-Election

Thursday October 27th 2011

*“For a
Sustainable
Future”*

My name is Peadar Ó Ceallaigh. I am a qualified building surveyor, specialising in disability / access, special needs issues and conservation, both urban and rural. I have studied finance and I am currently studying an MSc in sustainable development.

Fís Nua stands for:

- Adoption of a secondary currency to run alongside the Euro, to create 450,000 jobs and security.
 - Debt repudiation (100%)
 - Mortgage forgiveness and sustainable retrofit of unused housing stock
 - Clean water, clean air, clean earth
 - Steady State economy
 - No water charges or anymore indirect taxes
 - No more cuts or IMF austerity.
- ...and much more.

Please contact me with any of your questions about how I would serve Dublin West, as its TD, or any questions about Ireland's newest political party, Fís Nua.
